VELAFestival

The VELAFestival is considered to be the first real event in Italy which is entirely focused on the sailing world. It finally brings together all the true sailing lovers outside the magazine's context. **The third edition** occurred in Santa Margherita Ligure from the 7th to the 10th of May 2015. There were an average of **13.000** entrances over these four days of the event. Furthermore, there were **170.000** users who visited our website www.velafestival.com and the other web pages related to the event on www.giornaledellavela.com. VELAFestival sent **665.000** newsletter to **50.000** addresses.

More than **200** boats from 2 to 35 meters docked at VELAFestival. VELAFestival is not just about viewing boats, but it is also a place where the sailing lovers can meet the greatest Italian sailors and participate to water and land activities such as "**The Sailor of the Year**".

We held the second edition of the **VELAFestival CUP** which is a sailing competition where all types of boats can participate and we counted up to **148 boats** on the starting line.

The first three editions of the **VELAFestival** were sponsored by the renowned watch brand **TAG Heuer** belonging to the LVHM group.

Nauticplace

A brand new service for all the people with a strong interest in the sailing world was created in 2012. To be more specific, Nauticplace is the biggest Italian online nautical shop.

www.nauticplace.com boasts of **4.850*** active clients and provides a catalog of almost **10.000** products. This is the ideal place where to find all you need to equip your boat, including not only accessories, safety and electronic products but also technical clothing and gifts. Our safety system allows you to purchase the items you wish and to have them easily delivered to your house or to your dock.

Sea Master

It was created in 2011 in order to enhance the sailing knowledge of all our users. It is the first Italian sailing master class held by professional instructors. The course mainly focuses on teaching all the key skills and technics to become a confident and experienced sailor.

The Sea Master courses adopted an anglo-Saxon approach based on the problem solving method in order to be practical and easy to apply to the real situations.

The courses' main commitment is to teach our participants not only to a **short-handed sailing** but also to **ocean going cruising**. In addition, our instructors can provide **tailor made lessons on our clients' actual boats** according to their needs.

Sea Master has organised **200** courses for over **1.000** participant since 2011.
